SUBJECT: Letter of Appreciation

Dear Sir,

On behalf of the Electrical Engineering Department of Government Engineering College, Patan, we wanted to express our appreciation to you to deliver expert lecture and conducting practical's for the one day workshop on "**Power Quality**" held on 2nd February 2019. It was extremely informative and really a splendid presentation which exposed students to the field practices. All the students appreciated and got benefit from your views and ideas on the subject.

Once again, thank you for making the workshop successful, and we appreciate your continued support.

Looking forward for your cooperation in the future as well.

Sincerely,

Head of Dept.
Electrical Engg. Department
Government Engg. College, Patan

Principal
